WEEK 1: CONSIDERATIONS AND COMMITMENTS (AN OVERVIEW)

What has prompted you to consider homeschooling?

What other options seem possible?

What options seem undesirable, and why?

Since you are involved in the child's life, you have some degree of commitment already. How are you preparing to take that commitment up a notch?

Bible passages to ponder:

Exodus 2 — the mother of Moses (Jochebed)

1 Samuel 1-2 — Hannah, the mother of Samuel

John 10:11-13 — Good Shepherd vs. Hired Hand

My goal for you is to watch 26 weeks of videos and do the related homework to prepare you for homeschooling in the fall. Please watch them in order, and take steps to implement the suggestions that seem most worthwhile.

NOTE: During Week 5, we will discuss *Shepherding a Child's Heart* by Tedd Tripp. Consider now how to locate a copy and read it before, during, or after Week 5.
